Subject: Uruguayans Disappeared in Argentina

John --

Attached is a list from Herbert Schape of the UNHCR in Buenos Aires, detailing their information on Uruguayans disappeared in ~~Argentina~~ Argentina.

The list includes Uruguayans freed, refouled and those believed to still be in Argentina. As such, it is a good summary of where the problem stands.

- 13 arrested in Argentina in 1976 and refouled
- 81 disappeared in Argentina in 1976-1978, with no further news.

We have some information on the "no further news" cases, but not a lot.

In addition, 17^{more} of the "arrested in 1976 and refouled" group have been set free, and many have gone to Europe.
